

华南理工大学
South China University of Technology

INVITATION

to the public defense of the PhD dissertation entitled:

Engineering Dynamic Bonds into Elastomeric Materials– Reinforcement and Reprocessability 含动态键的弹性体材料：增强和重复加工研究

by

Jing Huang

**Promotors: Prof. Dr. Baochun Guo
Prof. Dr. Filip. E. Du Prez**

Monday 31st May 2021, 9h00
Online via Microsoft Teams: [link*](#)

Examination Committee:

Prof. Dr. Mingqiu Zhang (SYSU, Chair), Prof. Dr. Richard Hoogenboom (UGent), Prof. Dr. Junpeng Zhao (SCUT), Prof. Dr. Anqiang Zhang (SCUT) and Prof. Dr. Xiangjun Gong (SCUT)

*Clicking the link will position you in a waiting room. Please mute your microphone and switch off your camera and wait until someone allows you to enter the meeting. You are not required to download MS Teams. The presentation can be followed in the web browser. Questions during the defense can be asked via the chat.
