

Lieselot De Smet cordially invites you to the public defense of her PhD dissertation, entitled

Smart polymeric systems using cyclobis(paraquat-*p*-phenylene) & cyclobis(paraquat-4,4'-biphenylene)

Tuesday 7 January 2020, 15h00

Aud. Magnel (first floor), building 60 at Tech Lane Zwijnaarde

Promotors:

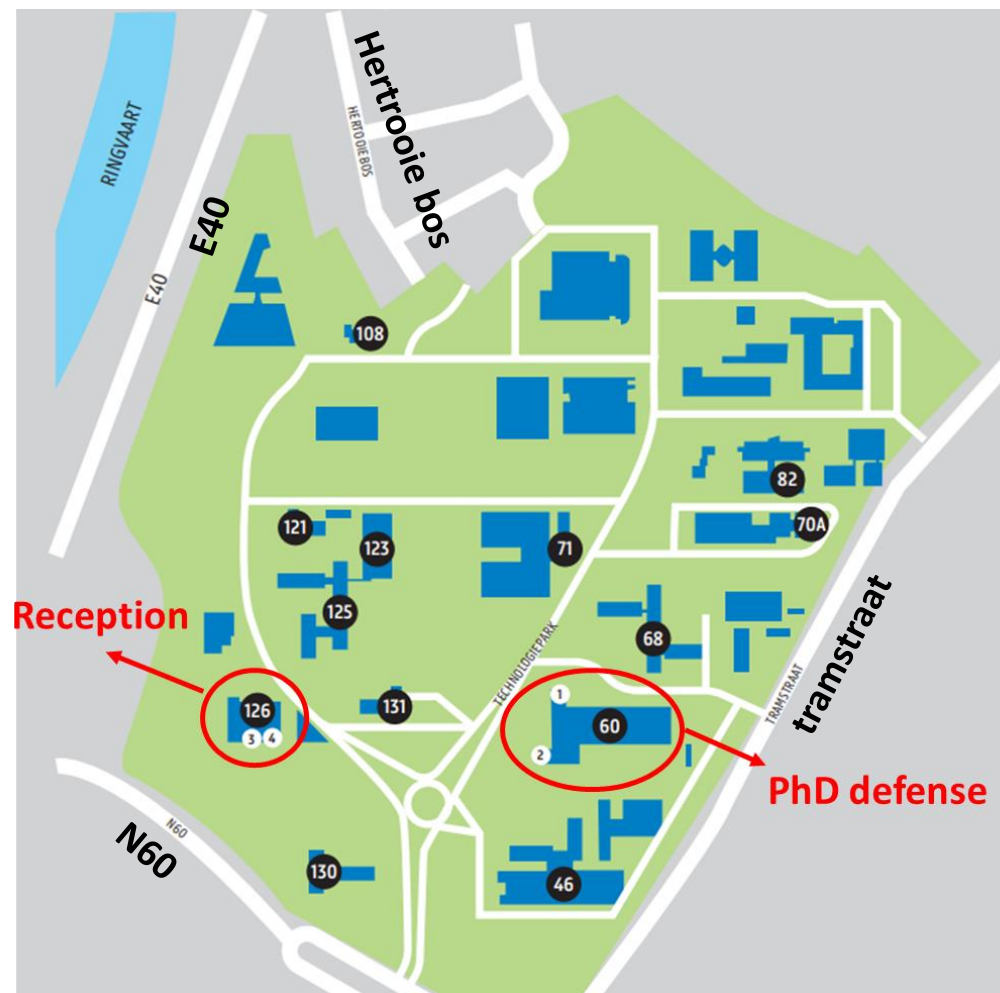

Prof. dr. Richard Hoogenboom (UGhent)

Prof. dr. Patrice Woisel (ULille)

The public defense is followed by a reception at the 12th floor reception hall at the IGent building. Please confirm your attendance before 25 December 2019 by email to lieselot.desmet@ugent.be

Location: Tech Lane / Technologiepark Zwijnaarde – Campus Ardoyen

- **Public defense:** Aud. Magnel (first floor) at building 60, Labo Magnel
- **Reception:** Reception hall (12th floor) at building 126, IGent (5 min walk from Labo Magnel)

Free parking is available near both buildings
